How much is China engaged in the Belt & Road Initiative?

Preliminary data on Chinese engagement through financial investments and contractual cooperation for 2024 in the 149 countries of the Belt and Road Initiative show about 340 deals worth USD121.8 billion. This compares to USD 92.3 billion BRI engagement in all of 2023 - an increase of 31%.

How much money do Chinese enterprises invest in the Belt & Road?

According to these data, Chinese enterprises invested about USD29.5 billion in non-financial direct investments in countries "along the Belt and Road". At the same time, the value of newly-signed project contracts by Chinese enterprises in the "Belt and Road" countries was USD113 billion, as well as 700 aid projects.

What is China's Belt & Road Initiative (BRI)?

China's Belt and Road Initiative (BRI) now extends from East to West, from the Pacific to the heart of Europe and has become one of the most transformational trade policies connecting 137 countries along its routes since its inception in 2013.

How big is the Belt & Road Initiative (BRI)?

Since its launch, the scope of the BRI has grown rapidly. According to the Belt and Road Portal, China has, as at October 2019, signed 171 co-operation documents with 30 international organisations and 137 countries (see Figure 2).⁴ The BRI's footprint is now enormous- extending from East to West, from the Pacific to the heart of Europe.

China's climate change projects in countries along the Belt and Road have made remarkable progress. In the first half of 2020, BRI energy-related investments were predominantly climate ...
