

Dec 2, 2025 · Chinese manufacturer Sunman is to build a 500 MW per annum solar module production facility in the New South Wales Hunter Valley after securing funding support from ...

Sep 5, 2025 · The 1.3 GW Upper Calliope Solar Farm is a flagship renewable energy development in Queensland led by European Energy. Once operational, it will be the largest ...

Jan 22, 2024 · RayGen's plants also utilise pumps to store and hold both the heated water, alongside pumping the liquid to cool the modules to prevent overheating. Another project is the ...

Dec 2, 2025 · The Australian Renewable Energy Agency (ARENA) has today announced up to \$151 million in conditional funding under the Australian Government's \$1 billion Solar Sunshot ...

In the longer term, there is the potential for Australia to make a significant contribution towards the development of the next generation CSP power plant utilising the high efficiency CO 2 Brayton ...

Aug 21, 2024 · The Australian government approved on Wednesday an ambitious plan for a massive solar farm intended to power millions of ...

Aug 21, 2024 · The Australian government approved on Wednesday an ambitious plan for a massive solar farm intended to power millions of homes domestically and supply electricity to ...

5 days ago · Mannum Adelaide Pumping Station No 3 - MAPL3 (Tungkillo) solar project is an operating solar photovoltaic (PV) farm in South Australia, Australia.

In the longer term, there is the potential for Australia to make a significant contribution towards the development of the next generation CSP power ...

Jun 11, 2025 · Solar pumping systems have become a sustainable and efficient way to manage water resources. These systems power water pumps using solar energy rather than fossil ...

Jan 22, 2024 · RayGen's plants also utilise pumps to store and hold both the heated water, alongside pumping the liquid to cool the modules to prevent ...

Sep 5, 2025 · The 1.3 GW Upper Calliope Solar Farm is a flagship renewable energy development in Queensland led by European Energy. Once ...
