Who are the 5 Central Asian countries?

United States President Donald Trump will host the heads of five Central Asian countries - Uzbekistan, Kazakhstan, Kyrgyzstan, Tajikistan and Turkmenistan- in an annual summit in Washington, DC, on Thursday. The group, founded in 2015, is known as C5+1, which refers to the five Central Asian countries and the US.

Will Trump meet five Central Asian countries in Washington for 10th meeting?

US President Donald Trump to meet leaders from five Central Asian countries in Washington for 10th meeting of C5+1.

Are Central Asia and the European Union a good partner?

Commissioner Síkela stated: "Central Asia and the European Union are solid partners, and our cooperation is growing. But I see even greater potential to unlock. Together, we can deliver long-term benefits for people and businesses on both sides. That's exactly what I focused on during my mission.

How can the US compete with Central Asian countries?

The United States must find other ways to compete, such as by including technology transfer and technical assistance alongside its funds. The CPC's 2022 policy brief recommends offering the services of the U.S. Geological Survey to help Central Asian countries utilize and profit from their critical mineral resources.

The first meeting between the six states took place on September 26, 2015, during the seventieth session of the United Nations General Assembly where then-U.S. Secretary of State John Kerry met with his foreign minister counterparts from the five states to establish a new multilateral dialogue platform. Following the meeting at the U.N., from October to November, Kerry ...
