What is a KDM IP67 enclosure?

KDM IP67 enclosures serve diverse applications across industries where protection against water, dust, and environmental factors is crucial for the safe operation of electronic equipment.

Are IP67 enclosures waterproof?

Offering a wide range of sizes and customization services, dedicated to finding the best IP67 enclosures for you! Our IP67 electrical enclosure is both dustproof and waterproof, and can withstand immersion in water up to 1 meter deep for 30 minutes without water penetrating the interior and damaging the enclosed components.

What are IP67 rated vents?

These features ensure that it can be used in the sun or in the rain. And we offer IP67 rated vents for passive airflow to avoid condensation. These vents utilize a breathable membrane that allows airflow but blocks water.

Why do you need an IP67 enclosure?

With their robust construction and waterproof, dustproof design, our IP67 enclosures provide essential protection, enabling electronics to function effectively in challenging environments and ensuring the longevity of critical equipment across a wide range of applications. If playback doesn't begin shortly, try restarting your device.
