Does Ethiopia have a public procurement policy?

According to a draft World Bank's CPAR (2010), significant public procurement policy reforms have been made in Ethiopia. Previously, public procurement was regulated with 38 Financial Proclamations, not recognizing public procurement as a separate legal area with separate legal needs.

How do I access government procurement information?

Provide access to tender statistics, tender opening minutes, evaluation reports, contract awards, and other procurement information. Register your company in the national suppliers list to be able to identify government procurement opportunities and participate in tenders. Access registered companies from the national suppliers list.

How EGP can help you participate in government procurement?

The eGP platform avails various online services and solutions to help you participate in government procurement. Publish annual procurement plans of government agencies so that the business community gets prepared and respond more effectively. Access tender notices of various government agencies for the procurement of goods, services and works.
