Custom High End European style cabinets are a type of cabinet style that originated in Europe and is now popular in many parts of the world. They typically feature a classic, timeless look and are constructed using high-quality materials.

Are face frame cabinets better than Euro style cabinets?

Face Frame cabinets are typically more durable and can be customized with a variety of door and drawer styles. They also tend to be more affordable than Euro Style cabinets. Euro Style cabinets, on the other hand, offer a more streamlined look, as there are no visible frames, and can be easier to install and maintain.
