Apr 3, 2025 · Ghana's Black Volta Solar Project is a pioneering renewable energy initiative, featuring what has been commissioned as West Africa's ...

Dec 4, 2025 · Ghana has launched West Africa's largest floating solar project, marking a significant step towards increasing its renewable energy capacity. The successful completion ...

Apr 3, 2025 · Ghana's Black Volta Solar Project is a pioneering renewable energy initiative, featuring what has been commissioned as West Africa's largest floating solar power plant.

Dec 4, 2025 · Ghana has launched West Africa's largest floating solar project, marking a significant step towards increasing its renewable ...

Dec 2, 2025 · Ghana advances 111 GWh solar rollout by 2026, easing energy pressures and accelerating rural electrification despite slow disbursements. German-backed solar factory ...

Dec 5, 2025 · Ghana's US\$3.4 billion roadmap signals a determined push to expand solar, mini-grids and emerging green technologies to power economic growth, create jobs and build long ...

Jul 1, 2025 · Ghana is making headlines across the continent with two groundbreaking renewable energy projects that are set to transform West ...

Feb 27, 2025 · JA Solar has launched a 507 kW rooftop-canopy solar PV power plant at Ghana's NITA Park in Accra, marking a key milestone in ...

Jul 1, 2025 · Ghana is making headlines across the continent with two groundbreaking renewable energy projects that are set to transform West Africa's energy landscape. In a powerful stride ...

Apr 2, 2025 · The newly unveiled floating solar farm represents a considerable expansion of Ghana's renewable energy capacity and underscores its determination to reduce its reliance ...

Jan 6, 2025 · Ghana is launching a strategic 20 MW solar project to boost its energy grid and strengthen national capacity. Led by Renergy Solar, this ...

Jan 30, 2025 · The following are the key developments in Ghana's solar energy sector:
Policy Framework: The Renewable Energy Act 2011 (Act 832) established a legal and regulatory ...

Jan 6, 2025 · Ghana is launching a strategic 20 MW solar project to boost its energy grid and strengthen national capacity. Led by Renergy Solar, this initiative supports the country's ...

Feb 27, 2025 · JA Solar has launched a 507 kW rooftop-canopy solar PV power plant at Ghana's NITA Park in Accra, marking a key milestone in the country's sustainable energy transition. ...

4 days ago · This initiative aligns with Ghana's commitment to the Paris Climate Agreement and its goal of achieving carbon neutrality by 2050. Government Support for Renewable Energy ...
