How to ship containers to Israel?

Shipping containers to Israel will be a tiring and time-consuming task, especially if you don't own heavy equipment. You have to take care of the packing, loading, and unloading of the cargo. Not only that, but you also need to coordinate and pay the people who are handling your Container during the shipping process.

What is the cheapest container shipping to Israel?

These are examples of the cheapest rates for shipping a container to Israel in FCL (Full Container Load) or LCL (Less than a Container Load) shipment'. iContainers offers ocean freight transport to Israel from the United States and Spain in two ports.

Why were large ships unable to visit Israel?

Such huge vessels were unable to visit Israel previously due to their size. Operation of Haifa Bay Port The new port is operated by an international operating company - SIPG - Shanghai International Port (Group) Co. This company is one of the world's leaders in the operation of container terminals and cargo.

Why should Israel build a new port?

Logistic centers and modern industrial parks will be situated around it, and will contribute to the creation of many work places in the area. The new port increases the capacity of Israel's ports, providing a response to the growth in trade and to the requirements of the economy.
