Browse our comprehensive range of high-efficiency Solis solar inverters available for purchase in Malaysia. As an authorized dealer of solar power products in Malaysia, we sell premium grid-tied inverters, off-grid systems, hybrid solutions, and advanced energy storage systems with excellent warranty coverage and product support.

Do you need a solar inverter in Malaysia?

Save on utilities and improve your way of living with the right solar system in Malaysia. While all devices and electric grids running on electricity use AC; therefore, it's imperative you switch the solar power being generated through your system with an inverter. Here's what an inverter exactly does.

Which solar inverter brand is best in Malaysia?

SMA, Solar Edge, Fronius and ABB are relatively high-end inverter brand manufacturers in Malaysia. Without getting into too many technical details, these inverters are known for delivering high performance and reliability, which is why they are expensive. Mid-range solar inverters:

Why are hybrid inverters becoming popular in Malaysia?

Hybrid inverters are becoming increasingly popular in Malaysia as they provide the flexibility to use solar energy during the day and draw energy from the grid at night or during periods of low solar radiation.
