What is a power bank?

A power bank is a portable device designed to recharge electronic gadgets like smartphones, tablets, and laptops when you're on the move, or when you don't have access to a regular power source. Power banks vary in size, capacity (measured in mAh), and the types of devices they can charge, offering flexibility for users with different power needs.

Where to buy bulk power bank in the UK?

Buy bulk Power Bank at twhouse.co.uk. You will find great prices on Electrical accessories, Laptop accessories & mobile phone accessories. If you are looking for wholesale or bulk power bank in the UK, we offer the best prices for 2600mAh power bank, 5000mAh power bank, 8400mAh power bank, 10000mAh power bank, 20000mAh power bank and more.

What can you do with a portable powerbank?

Simply plug your device into a portable powerbank and receive power on the move. Your clients will love a promotional product which they can use on a regular basis, especially one which makes their lives easier. Never get caught out again with low battery for your smart phone or tablet.

What does a branded powerbank do?

A branded powerbank will give them a gentle reminder of who you are, keeping you at the forefront of their mind. It will not only be appreciated and used regularly.
