As of February 2025, prices now dance between \$9,000 for residential setups and \$266,000+ for industrial beasts. But here's the kicker: The real story lies in the 43% price drop since 2023, ...

These cabinets are ideal for outdoor base stations in remote, mountainous, or desert regions, especially where grid power is absent, unstable, or costly. They are also used for border ...
